VIP Layout Setup

Medevac Layout Setup

VIP SETUP

The Learjet 60XR in a VIP configuration is designed to provide maximum luxury, privacy, and functionality for business or leisure travel. It combines high-performance capabilities with a cabin layout tailored for comfort and exclusivity.

MEDEVAC SETUP

The Learjet 60XR is a versatile platform for medevac (air ambulance) configurations due to its speed, range, and cabin size. When outfitted for medical evacuation, the aircraft is modified to accommodate life-saving equipment and provide optimal patient care.
