# OUR JOURNEY

## Redefining Aviation Excellence

Established in 1998 in the United Kingdom under the leadership of a distinguished aviation expert, ASM has emerged as a prominent industry leader, offering a comprehensive range of aviation services. Our extensive portfolio includes flight planning, permits, ground handling, fueling, jet charter, concierge services and round-the-clock flight tracking and supervision by our highly experienced operations team.

In 2016, ASM achieved a significant milestone that marked a pivotal moment in our journey - the acquisition of our own private jet fleet. This transformative milestone shed light on a critical gap in the market, revealing a lack of comprehensive solutions tailored to address the unique concerns of private jet owners. Motivated by our first-hand experience as aircraft owners, we were driven by an unwavering determination to bridge this gap and embark on an ambitious endeavor. This led to the creation of ASM Air, a groundbreaking and innovative response to the unmet needs of the industry.

ASM Air combines aircraft management expertise and a dedication to outstanding flight support, setting a new industry standard as the sole provider of in-house aircraft management and flight support services, delivering comprehensive, exceptional solutions that exceed expectations.

# ASM AIR

## Your Gateway to Exclusive Savings

With an established presence of over 25 years as a Global Trip Support Service provider, we have all the relevant expertise, know-how, connections and trade relations to generate exclusive savings for all the services your aircraft will need in its lifetime.

## CREW MANAGEMENT SERVICES

At ASM Air, we recognize that an exceptional flight begins with an exceptional crew, which is why we provide end-to-end solutions for crew selection, scheduling, and management. We ensure that the crew not only meets but exceeds industry standards, providing you with a seamless and superior flying experience. Trust us to put together a crew that complements your aircraft and aligns with your specific needs.

- **Aligning Crew with Your Specific Needs**
- **Continuous training in safety measures, emergency procedures, and cutting-edge aviation technology**

## FACILITATING MRO AND INSURANCE

Protecting your investment is at the forefront of our priorities. ASM Air collaborates with the best Maintenance, Repair, and Overhaul (MRO) providers to ensure your aircraft remains in pristine condition. Plus, with our comprehensive insurance services, you can be rest assured that your asset and interests are safeguarded against unforeseen circumstances.

- **Comprehensive aviation insurance for peace of mind in unforeseen events**
- **Strategic asset protection through top-tier Maintenance, Repair, and Overhaul.**
- **Tailored maintenance plans to maximize safety and aircraft longevity.**

## **OUR FLEET**

**Efficient, safe, and tailored to your needs**

## CESSNA CITATION SOVEREIGN C680

The Cessna Citation Sovereign is a remarkable midsize jet, perfectly suited for extended trips at high altitudes. This exceptional aircraft offers transcontinental capabilities, making it the ideal choice for long-haul business flights or luxurious family getaways. With impressive speed, efficiency, and safety, the Sovereign is truly in a league of its own.

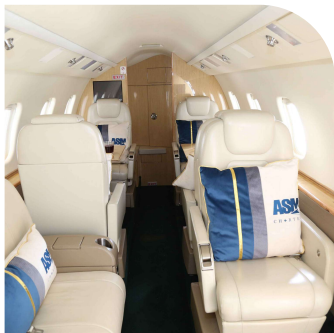

Travel in ultimate style and comfort with the Citation Sovereign, where luxury and convenience come together to create a remarkable flying experience.

- Seats: 9
- Range: 5200 km
- Cabin Dimensions (HxWxL): 170 x 168 x 770 cm

## BOMBARDIER LEARJET 60XR - A6 VGG

Designed for a niche market of flyers who value speed, high-altitude cruising, and economic operation, the Learjet 60XR is a certified leader in the aviation industry's highest safety standards, guaranteeing an exceptionally smooth ride. With its unrivaled combination of performance and luxury, the Learjet 60XR is the epitome of luxurious travel, exceeding the expectations of even the most selective passengers.

- Seats: 6
- Range: 4454 km
- Cabin Dimensions (HxWxL): 174 x 181x 539 cm

## BOMBARDIER LEARJET 60XR - A6 GOA

With its 7-passenger capacity, this mid-sized jet proudly boasts the aviation industry's highest safety standards, providing a smooth and secure ride for passengers with ample room to relax and unwind. With its powerful engines, the Learjet 60XR offers a faster climb rate and an impressive top speed of 460 knots, setting the standard for class-leading performance. However, what sets the Learjet 60XR apart is its superior fuel efficiency compared to other mid-size jets.

- Seats: 7
- Range: 4454 km
- Cabin Dimensions (HxWxL): 174 x 181 x 539 cm

## DISCOVER THE ASM AIR DIFFERENCE
